Jasmaine met and wed Dennis Braxton in 2009, and they share three beautiful children, Karnell, Erin, and Emory.

Jasmaine graduated nursing school and passionately practiced as a registered nurse at Baylor Hospital and a Nurse Navigator at Imagine 360.

Jasmaine enjoyed spending time with family, traveling, and creating new experiences. Jasmaine had the heart to serve people and nurtured those around her.

Jasmaine was preceded in death by: her grandmothers, Pauline Jones and Jennel Harris; and grandfather, Otis Bursey, Sr..

She leaves to cherish her husband of 13 years, Dennis Braxton Jr., and three children, Karnell, Erin, and Emory; her parents, Charles and Sherry Harris, three siblings, Porsha, Brithine and Charles; her grandfather Charles Harris Sr., Rosalinde Harris, and a host of loving aunts, uncles, cousins, in-laws, friends and co-workers.

Remembrance

You can shed tears that she is gone, or you can smile because she has lived. You can close your eyes and pray that she'll come back, or you can open your eyes and see she has left. Your heart can be empty because you can't see her, or you can be full of the love you shared. You can turn your back on tomorrow and live yesterday or you can be happy for tomorrow because of yesterday. You can remember her and only that she's gone, or you can cherish her memory and let it live on. You can cry and close your mind, be empty and turn your back, or you can do what she'd want, smile, open your eyes, love and go on.

We always said we were in this together, and we made a great team. You were not just my wife and children's mother but my best friend. You were my only friend. ALWAYS IN MY HEART, YOUR HUSBAND - Dennis

Although you are not here, somehow it will always feel like you are here. Your memories will always be in my HEART. You were such a Wonderful Mother. Mom, it is not the same with you. You are irreplaceable. Though you are out of sight, you will forever be in my HEART and MIND. LOVE ALWAYS, YOUR DAUGHTER - Erin aka Mom's Twin

Mom, your hugs and kisses will always be in my Heart. LOVE ALWAYS, YOUR BABY BOY - Emory

PARENTS TRIBUTE

My Star in Heaven

We are sending a dove to heaven

with a parcel on its wings be careful when you open it

Its full of beautiful things

Inside are a million kisses wrapped up in a million hugs To say how much we miss you and to send you all our love. We hold you close within my heart and there you will remain

To walk with me throughout my life Until we meet again.

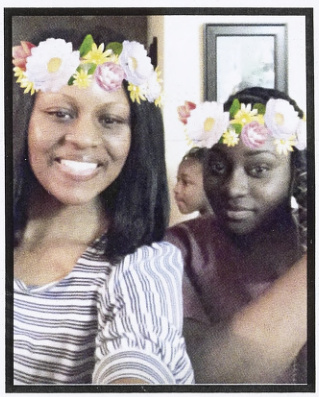
TO MY FLOWER THAT BLOOMS, LOVE ALWAYS

- MOM & DAD

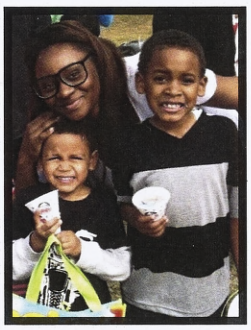
SIBLING TRIBUTES:

Baby sister, I thank God for the time we had on earth. I don't take it for granted... your love for me and encouragement. Our laughs and talks made me a better person. I love your strength; it has taught me to keep fighting. I love you! - Britt Britt

To watch my sister transition isn't pleasant for my family or me. We all loved her. We all hated to see her in and out of the hospital. I love you, Jasmaine, and I'm glad you're not in pain anymore. You will be missed! - Josh



Jazzy Poo! My baby sister & friend! I was always so proud of you and all your accomplishments. You were so smart. I watched your drive in everything you did. You are forever an inspiration! I will miss planning outings with you for the nieces and nephews. We were always trying to do something for the grands. I hate that you're gone. If I could have saved you, I would have. My heart aches, and having to rely on memories and not new experiences is heartbreaking. If someone had told me two years ago that it would end as such, I wouldn't have believed them. I'm confident that God knows best. But HIS best right now at this moment hurts my very soul. I trust that I will never get over it as the years go by, but I will get through it. This loss broke me, but I know God will mend my broken heart. I will finish what you started with the college initiative. You are forever in my heart. I love you immensely. - Porsha



Dear Jas, even though you are gone, and I won't be able to see and go places with you anymore, that doesn't change the fact that you were the best sister I could ever have. I will miss every moment we had together as brother and sister and as a family. I'm going to miss the bond that we had together cause there wasn't a single thing in the world that could break that bond, and even though I won't be the same without you, I promise I will do what it takes to make you proud. It doesn't matter how hard or painful it is; I will do whatever it takes. I will miss you, and I will love you for life. - Sincerely JuJu

BEST FRIEND TRIBUTES:

To my sister, best friend forever, my day one, and now MY ANGEL. I love you with all my heart. Wishing you were here with us, as now our triangle is incomplete. I will truly miss your warm spirit, heart, thoughtfulness, kindness, smile, and laugh that was so contagious. The moments we've had that keep us laughing will forever be the beauty of memories I have from a true friend. If only things were different, I wouldn't feel so much pain knowing you're in a better place. The heartache flowing through my body as I wish this were all a dream and I wake up with you here with us. My soul hurts for the pain you endured while on this earth, but may God bring you the peace, love, and happiness you deserve. I just know you were too beautiful for earth. - Amesha

We met in 6th grade at Beltine and clicked right away. We are more than friends; we are sisters. My heart literally hurts knowing I'll never hear your voice or goofy laugh again! I'm finding myself constantly going through our messages on my phone. I have a text from you saying, "you'll have these messages to look back on." SMH! I'm going to miss you soooo much! I'm not trying to be selfish. I want you here, but I don't want you suffering. I know you're walking on those beautiful gold streets happier than we could ever imagine. You have definitely earned your wings. It's bittersweet, but YOU'RE FREE NOW. Until we meet again.

I'm Free

Don't grieve for me, for now I'm free;
I took His hand when I heard Him call;
I turned my back and left it all.
If my parting has left a void;
then fill it with remembered joy.
My life's been full, I savored much;
good friends, good times,
a loved one's touch.
A friendship shared, a laugh, a kiss;
ah yes, these things, I too, will miss.
Perhaps my time seemed all too brief;
don't lengthen it now with undue grief.
Lift up your hearts and share with me;
God wanted me now, He set me free.
